The Spoke

A Message from the President

Are you kidding me? March? Really? Boy, does time fly when the market stinks or what? I hope that the first 1/6th of 2009 is treating you well. Last Thursday, lightning hit my office frying a phone, a computer, and a router. So, don't let them fool you into believing that surge-protectors will always save your stuff, as everything I mentioned was plugged into one. All was back on line by Friday afternoon. So, in February, we had snow, 60 degree temperatures, rain, strong winds, and bitter cold. Boy, you have to love the weather in midwest.

Looking for new Board Members

I would encourage anyone that is interested in serving on the board of our club to contact me or Past-President Amy. After being in business for over 90 years, our board runs pretty smooth with everyone doing their part. This year a couple of board members have decided to step aside, so we are looking to fill those spots. Please consider serving on the board even if it is only for one year.

New AG: Chuck Schroeder

I am proud to announce that Past President Chuck Schroeder is going to be the new Assistant Governor for District 6490. Chuck will serve the clubs in Vermilion county. It's wonderful to have one of our club members serving at the District level. So, please thank/congratulate Chuck on his new role in Service Above Self.

Thanks for the program ideas.

Several members have contacted me over the past couple of weeks with possible programs. Thank you very much for that. They have all been forwarded to the Club Service chair, Eric Shore. The only way that we will have these great programs is if our members find them. Thanks for the help and keep them coming.

Beware the ides of March,

Keith Souza
