A Message from the President

April showers bring May flowers, but what does April snow bring? Baseball, that's what. The 2009 season is officially underway, good luck to our local favorites, the Cleveland Indians. We hope they have a great season. (You didn't actually think I would say the Cardinals or Cubs did you?)

Rotary Memorial Way

We will be kicking off Rotary Memorial Way this month. This is the single largest service project that our club sponsors each year. Please start talking to your flag-buyers now about participating.
