The Spoke

A Message from the President

Greetings,

Please be thinking of potential new members for our club. Have you considered asking a prospective member to attend some meetings with you – with the club picking up the tab for lunch? We are especially interested in getting a good representation from all professions in the community. No one is more important than you in membership recruitment!

A tip of the hat to Tom Mellen for putting together an outstanding slate of programs so far this year. Thanks, Tom! If you have ideas for suggested speakers, please let Tom know.

Yours in Rotary service,
Mark Denman
