A Message from the President

Greetings,

It is hard to believe that November is here and we are quickly approaching the end of the year. Rev. Jimmy Hopper will deliver our annual message of Thanksgiving on November 22. Our club has adopted an international project this year – to assist in the purchase of a bus for an orphanage in St. Petersburg, Russia. Fellow Rotarian Bob Pape will provide an overview of this worthwhile project on November 15.

If you are interested in applying to be a member of our Rotary District's Group Study Exchange to Brazil from March 11 – April 11, please read the information on the back of the newsletter. If you would like an application, contact information is included.

Yours in Rotary service,
Mark Denman

Rotary seeks area professionals for goodwill exchange to Brazil

Rotary club members of District 6490 announced that they will be sending a team led by a Rotarian with four outstanding professionals to visit District 4710 in Parana, Brazil departing approximately March 11 and returning April 11 as part of the Group Study Exchange program of The Rotary Foundation of Rotary International.

Through the program, teams of young professionals from two different countries exchange visits. For four weeks team members experience the way of life, customs, and vocational practices of another country, while sharing information about their home country.

The purpose of the Group Study Exchange program is to promote international understanding and goodwill through personal connection. While abroad, team members stay in Rotarians' homes and have the opportunity to meet their professional counterparts. They also give presentations to Rotary clubs and other groups about their home country.

The Rotary Foundation pays for round-trip airfare, and Rotary club members in the host country provide meals, lodging, and group travel in their district. Team members only pay for personal and incidental expenses.

Young adults between the ages of 25 and 40 who are interested in applying should be employed full-time in a business or profession with at least 2 years in their current occupation and are not direct lineal Rotarian descendants. Applicants must live or be employed in Rotary District 6490, which includes the east central Illinois counties of Bond, Champaign, Christian, Clark, Coles, Crawford, Cumberland, DeWitt, Douglas, Edgar, Effingham, Fayette, Ford, Iroquois, Jasper, Livingston, Logan, Macon, McLean, Montgomery, Moultrie, Piatt, Shelby, Vermilion, and Woodford. They must be in good health to travel and able to obtain a passport.
